Wera Tools 2021 British Kart Championship

Event Bulletin 04

Due to the ongoing shortage of kart tyres in the UK and subsequent changes in some clubs' tyre regulations and online scrutineering processes - competitors may request to register in one extra set of used slick tyres in practice 1 & 2 (4.5.4.2) Tyres should be fitted to the kart for scanning on the entrance to the grid.

From session 3 onwards ALL tyres new or used must be registered on the Alpha system.

Reason: Sporting Fairness and force Majeure

4.5.4.2 For Practice and Warm-Ups; (i) Where any Optional Friday practice is offered and up to the TQ Session a maximum of up to 1 new sets of slick tyres may be used in addition to any registered used slick tyres Any new tyres must be purchased from the Championship
