Event Bulletin 02

Impact Data Recorder ('IDR')

The British Kart Championship has been selected to form part of the Motorsport UK trial of FIA Impact Data Recorders (IDR). The Mini Max class at the Rotax/Honda PFi (06-08 May) Event will have fitted the IDR.

FIA Impact Data Recorder ('IDR')

When a Competitor has been selected by Motorsport UK to fit an IDR to their kart these will be operational at all times when the kart is on track and must not be modified in any way and as supplied by and on behalf of Motorsport UK. An appointed official will fit the IDR to the floor tray of the Kart and its position must not be changed without prior permission to do so.
