IAME Double Header

1.6 Scoring

The overall Championship standings will be calculated based on the points awarded at each round ("scores") taking account of:

- (i) Championship Heat points;
- (ii) Championship Prefinal/Repechage; and
- (iii) Championship Final points.
- (iv) Judicial Decisions.
- (v) NCR C.3.5.1 Will apply

1.6.1 Points will be awarded in the Heats and these will count towards grid positions for the Repechage (if any) or Prefinal/Final. These individual points will not count towards the overall Championship:

1.6.1.1 points for the Heats will be allocated 0 pts for 1st place 2 pts for 2nd place 3 pts for 3rd place and increasing by 1 point down the heat classification;

1.6.1.2 non-finishers will be classified according to the number of full laps completed and order of stopping and shall be classified in that order and allocated points accordingly; and

1.6.1.3 any driver that does not start a Heat will be classified after any non-finishers in the Heats (1.6.1.2) whether they present themselves to the grid or not and in grid order if more than one and allocated points on that basis.

1.6.2 Championship Heat points will be awarded based on the intermediate classification following the Heats and the conclusion of all judicial procedures:

- 1.6.2.1 65 pts for 1st place 62 pts for 2nd place 60 pts for 3rd place 59 points for 4th place and decreasing by 1 point down the intermediate classification.
- 1.6.3 Championship Prefinal & Final points will be awarded in the Final according to the Final classification and following the conclusion of all judicial procedures:
- 1.6.3.1 65 pts for 1st place 62 pts for 2nd place 60 pts for 3rd place 59 points for 4th place 58 points for 5th place 57 pts for 6th place then reducing incrementally by single points to 29 pts for 34th position;
- 1.6.3.2 non-finishers will be classified according to the number of full laps completed and order of stopping and shall be classified in that order and allocated points accordingly;
- 1.6.3.3 any driver that does not start will be classified whether they presented themselves to the grid or not in the position below the last classified driver and in grid order if more than one and points allocated accordingly;
- 1.6.3.4 any driver disqualified from the meeting will score 0 pts and will be unable to drop that round; and
- 1.6.3.5 at the conclusion of the Championship season a total of 20 bonus points will be awarded to each driver who has entered competed and scored points in every one of the 5 rounds which are used to calculate their end of season points, should a driver be DSQ from an Event they will score zero points for that round and be unable to drop the zero scores. Regulation 1.6.3.4 applies Drivers are still eligible for the 20 bonus points if they have signed on at all rounds.
- 1.6.4 Championship Repechage points (Championship Prefinal & Final points) will be awarded in the Repechage according to the Final classification:
- 1.6.4.1 28 pts for 7th place 27 pts for 8th place 26 pts for 9th place then reducing to 1 point for 34th position;
- 1.6.4.2 non-finishers will be classified according to the number of full laps completed and order of stopping and shall be classified in that order and points allocated accordingly; and
- 1.6.4.3 any driver that does not start will be classified whether they presented themselves to the grid or not in the position below the last classified driver and in grid order if more than one and points allocated on that basis; and
- 1.6.4.4 in the case that there are more than 34 although less than 38 Drivers in the class there will be no Repechage;
- (i) Championship Final points will be awarded according to the intermediate classification in respect of those final three Drivers; and
- (ii) 28 pts for 35th place 27 pts for 36th place 26 pts for 37th place.
- 1.6.5 If a round cannot be completed due to force majeure:
- 1.6.5.1 before completion of the heats for that class no Championship points will be awarded
- 1.6.5.2 after completion of the heats for that class the overall classification will be declared on the grid positions for the Prefinal (if applicable) and Final and Repechage (if any) and Championship points will be awarded accordingly; and
- 1.6.5.3 after completion of the Pre-Final for that class the overall classification will be declared on the grid positions for the Final and Championship points will be awarded accordingly.

1.6.5.4 Championship Points are only awarded to those Competitors Registered for the Championship.

Championship Points will be awarded in accordance with the finishing position of those Competitors in the relevant points accruing races subject to the conclusion of all judicial proceedings.

In other words if a guest driver finishes in front of a Registered Championship Competitor that will not affect the award of Championship points. For example, regardless of where the first Registered Championship Competitor finishes that Registered Competitor i.e. finishing p2 on track is finishing p1 in the Championship [etc etc]. Therefore the Championship Registered Competitor would be awarded the points for Championship Race p1.

1.6.6 Resolving Ties:

1.6.6.1 In the event of a tie for grid positions for the Prefinal or Final the higher finishing position from Timed Qualifying from that round will take the higher grid position.

1.6.6.2 In the event of a tie in the Championship standings then the result from the final of the last Championship round (round 5) will be used to solve the tie with the higher result in that race being given the higher ranking.

1.6.7 The drivers 3 lowest scores will be dropped but if a driver is DSQ from the Event these DQ Event scores cannot be dropped and the next 3 lowest scores will be used for the dropped scores.

1.6.8 Championship Points Appeals will be in accordance with the current National Competition Rules.

1.6.9 The only valid Championship Points allocation and tables are those published by or explicitly on behalf of Motorsport UK and no class or overall Champion may be declared until after the conclusion of all judicial procedures following the final Event of the Championship.

1.7 Awards

1.7.1 Per Round

Trophies for each class will be awarded to the highest 3 classified drivers in the Final plus the mechanic/technician.

1.7.1.1 a prize giving ceremony will be held at each round within one hour of posting the provisional results;

1.7.1.2 if a driver is personally not present for the prize giving ceremony without the Organisers consent they may forfeit any award; and

- 1.7.2.2 for the highest placed Privateer. A Privateer is a driver who is not part of howsoever at any Championship Event including testing for or connected to the Championship and whether by awning sharing or otherwise and who receives no support from a Team. Privateer status must remain valid throughout the Championship season. A Privateer is also eligible for the Rookie award;
- 1.7.2.3. for the highest placed Rookie. A Rookie is the highest placed driver who has not competed in more than 3 rounds in any one season of a British or National Championship in previous years and competes in 3 or more rounds of the current Championship and/or is competing in the cadet classes for their first year after moving from the British Kart Championship Bambino Class;
- 1.7.2.4. the organisers may also provide an award for the Team and/or Event whom they believe has best embraced and promoted the ethos of the Championship;
- 1.7.2.5 the class Stakeholder will be responsible for any additional awards;
- 1.7.3 The top 10 drivers in each class will be awarded seeded numbers 1-10 for 2024. Should any driver change class for 2024 they will forfeit their seeded number.
- 1.7.3.1 The top 5 of those 10 drivers will automatically qualify should pre-qualification for 2024 be necessary.
- 1.7.4. Additional awards may be made at the discretion of the Organisers.
- 1.7.5 There may be an end of year prize giving Ceremony. The date & venue is to be advised.
- 1.7.5.1 Should a competitor be unable to attend without agreement in writing from the Organisers they may forfeit any award.
- 1.7.6 Entertainment Tax Liability
In accordance with current government legislation Motorsport UK along with the hosting club are legally obliged to withhold tax at the basic rate on all payments to non- UK resident sportsmen/women and account to HMRC using form FEU1 the quarterly return of payments made to non-resident entertainers and sportsmen/women.

That is to those persons that do not have a normal permanent residence in the UK. The UK does not include the Isle of Man Channel Islands or Eire. This means that as the organiser the Motorsport UK is required to deduct tax at the current rate applicable from any such payments they make to non-UK residents.

Under certain circumstances it may be possible for competitors to enter into an agreement with the Inland Revenue to limit the Tax withheld. Any application for such an arrangement must be made in writing and no later than 30 days before the payment is due.

For further information contact: HMRC Personal Tax International Foreign Entertainers Unit St Johns House Merton Road Liverpool L75 1BB. Tel: 01514726488 Fax: 01514726483.

1.7.7 Title to all Trophies

In the event of any Provisional Results or Championship Tables being revised after any provisional presentations and such revisions affecting the distribution of any awards the competitor(s) concerned must return such awards to the Organisers in good condition within 7 days.

1.8 Timing

1.8.1 Electronic timing will take place at all rounds.

1.8.2 A TAG transponder must be used and it is the Competitor's responsibility to ensure it is fully charged and fitted correctly;

1.8.2.1 fitment of the transponder must be as per F2 of the Motorsport UK Karting Yearbook:

("F.2 The transponder must be fitted in an approximately upright position (i.e with the 'R' clip to the top) on the back of the seat fitted at a height from the ground at 25cm ±5cm measured to any point of the transponder.

F.2.1 Transponders must be mounted in accordance with the manufacturer's recommendations.").

1.8.3 It will be possible to hire transponders from the Organisers at a cost of £20 per meeting;

1.8.3.1 should any Competitor hire a transponder and fail to return it in good working order the Organisers may seek full payment for a replacement unit and seek a damage deposit for any substituted item.

1.8.4 Transponders must be fitted and working in all Official Sessions according to the Timetable;

1.8.4.1 any transponder not fitted upon entry to the grid may result in the kart being refused access; and

1.8.4.2. should any transponder not work this may result in the driver not being lap scored and no finishing position / times given.

- 3.1.1.8 In the event of a meeting cancellation refunds may only be issued in the event that no part of the meeting has commenced i.e. Scrutineering and/or documentation whichever commences sooner (3.1.1.3 applies).

3.2 Practice

- 3.2.1 Where there is an Official Friday Practice session a request for exception must be made to the Championship Organiser at least 7 days prior to the meeting if the driver is unable to attend. Acknowledgement will be issued in writing.
- 3.2.2 All classes will be provided at least one Practice session and each driver must participate in their designated group.
- 3.2.2.1 The schedule for the Practice groups will be posted on the Official Notice Board.
- 3.2.2.2 Should any driver miss their designated group they will not be permitted to join another.
- 3.2.3 Practice or use of the Circuit by any registered Championship Competitor - in any type of kart including the use of any equipment that is scheduled to be used at the upcoming

Event is forbidden from the Monday of the week immediately preceding the scheduled meeting until the commencement of Permit;

- 3.2.3.1 any Competitor reported to have done so will be reported to the Stewards of the Meeting and may be disqualified from that meeting.

3.3. Briefings

It is mandatory for all Drivers and Team Managers and PG's to attend all Drivers Briefings, The Drivers Briefings may be communicated digitally.

3.4 Pre-Race Scrutineering

- 3.4.1 Pre-Practice 'self-declaration' regarding your PPE equipment and its conformity to the current regulations is mandatory and the equipment maybe spot checked by the Scrutineers at any time during the Event; false declaration is a grave breach of the National Competition Rules.

- 3.4.1.1 A Competitor may request pre-race Scrutineering at an alternative time but this must have been completed prior to their first scheduled Practice session.

3.5 Parc Ferme

- 3.5.1 Parc Ferme will be in operation at all meetings as defined in section B of the National Competition Rules. It may vary according to the requirements of the Venue and will be in accordance with National Competition Rule D.10.1.28

- 3.5.2 Access to Parc Ferme will only be permitted to pass holders for the specific class;

- 3.5.2.1 any other person requiring access may only do so with permission of the Eligibility Scrutineer or designated Deputy.

- 3.5.3 The Race Director/Clerk of the Course will designate the meeting status ("Wet" "Open" or "Dry").

- 3.5.3.1 Any change will allow an adequate amount of time to permit a change of tyre choice which will be decided by the Race Director/Clerk of the Course and may delay the start of that session. Competitors may be required to return to the service park if having already entered the pre grid;

- 3.5.3.2 if the session is deemed "Open" no extra time will be permitted for tyre changes.

3.6 Service Park

Only the driver and registered mechanic wearing the required pass will be permitted access.

3.7 Pre-Grid

- 3.7.1 Upon entry to the pre grid the kart must be positioned on their grid position or as directed by the relevant Official.

- 3.7.2 Adjustments other than tyre pressure (which cannot be increased) are prohibited once on the pre grid.
- 3.7.2.1 Should any adjustment(s) be necessary the kart must again be returned to the service park but only before closure of access to the pre grid. In exceptional circumstances only the Chief Scrutineer may authorise a return to service park after closure of the pre grid and in which case notification and reason will be provided to the Stewards of the Meeting.
- 3.7.3 Count Down to access the Pre-Grid
- 3.7.3.1 5 minutes prior to session start;
- 3.7.3.2 3 minutes prior to session start; and
- 3.7.3.3 2 minutes prior to session access to the pre grid will be prohibited.
- 3.7.3.4 Any Competitor remaining in the service park once the pre grid access has been closed will not be permitted to participate in the session and will be reported to the Race Director and the Stewards.
- 3.7.4 Countdown to race start will be detailed in the Final Instructions
- 3.7.5 Any driver or mechanic believed to be impeding another Competitor will be reported to the Race Director/Clerk of the Course who will investigate and may pass the matter to the Stewards of the Meeting which may result in a penalty being imposed.
- 3.7.6 Any changes to the timetable will be posted on the Official Notice Board and announced over the tannoy and/or via text message directly to the Competitor. It is the Competitor's responsibility to ensure they are aware of any changes.

3.8 Timed Qualifying

- 3.8.1 All classes will be provided up to an 8-minute Timed Qualifying session and each driver must participate in their designated group and will be confirmed in the Final Instructions.
- 3.8.1.1 The schedule for the Timed Qualifying groups will be posted on the Official Notice Board.
- 3.8.1.2 Should any driver miss their designated group they will be reported to the Stewards of the Meeting and not permitted to join another and shall be placed at the back of the starting grid for the Heats this does not preclude the Stewards of the Meeting imposing any further penalty.
- 3.8.2 The results from Timed Qualifying will dictate grid positions for the Heats.
- 3.8.3 A random draw will decide the sessions for Round 1 and thereafter in Championship order
- 3.8.3.1 the highest points scorer first in Group 1;
- 3.8.3.2 the second highest point scorer first in Group 2;
- 3.8.3.3 the third highest point scorer second in Group 1 (or first in group 3 should 3 groups be required) and so on.
- 3.8.4 A driver may complete as many laps as they wish during this session and all laps will be timed;
- 3.8.4.1 any driver who fails to complete at least one lap will start at the back of the grid.

- 3.8.5 Timing will commence when the green flag is shown.
- 3.8.6 As soon as the driver exits the track their session has ended and re-entry to the track is not permitted 3.13 applies.
- 3.8.7 Any driver considered to be baulking or blocking another driver will be penalised (Q.12.21.1) by loss of up to their 3 fastest lap times. This does not prohibit the Stewards of the Meeting disqualifying the driver from the classification if necessary.
- 3.8.8 There will be 2 possible formats for timed qualifying at championship rounds the method used for each event will be communicated in the Final Instructions Timetable and Event Notice Board
- 3.8.8.1 Option 1 - Driver's average time calculated from their fastest 3 laps during their timed qualifying session will be used as their qualifying time for drivers completing less than the required minimum 3 laps their average lap time will still be calculated and then ranked initially by laps completed and then by average time behind drivers completing more than 3 laps. Should a driver have their fastest lap cancelled due to a penalty then the next fastest 3 laps will be used for calculating their average time.
- 3.8.8.2 If there is more than one session the fastest average time achieved in the fastest session (fastest average time overall) will be given 1st place 2nd place goes to the fastest average time in the other session 3rd place to the 2nd fastest in the fastest session (or fastest in the 3rd session if one is required) and so on to determine the combined results order.
- 3.8.8.3 In the event of a tie of average time in Timed Qualifying the driver's fastest single lap time will be considered and the driver with the fastest single lap time awarded the higher ranking. If still tied then the 2nd single fastest times will be considered and so on until a clear order is established.
- 3.8.8.4 Any drivers who fail to set a time during TQ will be placed behind all drivers who have set a time in numerical order and any drivers who are DSQ from TQ will be placed behind drivers with no time set in numerical order.
- 3.8.9.1 Option 2 – Drivers fastest time during their Timed Qualifying session as their Qualifying time. Should a driver have their fastest lap(s) cancelled due to a penalty then the next fastest lap will be their Qualifying time.
- 3.8.9.2 If there is more than one session the fastest time achieved in the fastest session (fastest time overall) will be given 1st place, 2nd place goes to the fastest in the other session, 3rd place to the 2nd fastest in the fastest session and so on to determine the combined results order.
- 3.8.9.3 In the event of a tie in Timed Qualifying the driver's 2nd fastest time will be considered and the 2nd fastest time awarded the higher ranking. If still tied then the 3rd fastest time will be considered and so on until a clear order is established.
- 3.8.9.4 Any drivers who fails to set a time during TQ will be placed behind all drivers who have set a time in numerical order, any drivers who are DSQ from TQ will be placed behind drivers with no time set in numerical order.

- 3.8.10 Any driver failing to complete at least one lap will be placed at the back of the grid and before any driver disqualified from Timed Qualifying;
- (i) the grid order of those having failed to complete a lap will be placed according to the last official practice session with the fastest recorded times ahead; and
 - (ii) the grid order of any disqualified driver will be placed according to the last official practice session with the fastest recorded times ahead.

3.9 Grid

3.9.1 The maximum grid will not exceed 34 for the Heats Prefinal and Final.

3.9.2 Timed Qualifying results will dictate the grid positions for the Heats.

3.10 Races

3.10.1 Each class will have two Heats a Repechage (if necessary) a Pre-Final and a Final.

3.10.2 After the completion of the Heats an intermediate classification will be issued.

3.10.2.1 drivers classified will automatically qualify for the Final if there are 34 drivers or less in the class.

3.10.2.2 For any class which has more than 34 drivers classified the top 28 drivers will automatically qualify for the Final;

- (i) any class which has less than 38 drivers classified the top 34 drivers will automatically qualify for the Final. The remaining drivers will be awarded points according to their intermediate classification.
- (ii) any class with 38 drivers or more classified and where the top 28 drivers have automatically qualified the remaining drivers will be placed into the Repechage in order to identify the drivers to take the remaining 6 grid positions for the Pre-final.

3.10.2.3 The grid for the Repechage (if any) will be as follows: Driver 29th in the intermediate classification will take the highest grid position the 30th driver will take 2nd place on the grid and so on.

3.10.2.4 The grid for the Final will be in order of the classification from the Prefinal. For Double header events the grid for the final will be in order of the Intermediate Classification.

3.10.2.5 Any competitor classified in 63rd place or lower will not qualify for the Repechage.

3.10.3 The Race Director/Clerk of the Course in consultation with the Stewards of the Meeting may amend race duration;

3.10.3.1 any change will be published on the Official Notice Board and announced on the dummy grid prior to the race.

3.11 Starts

- 3.11.1 Starts will be in accordance with U7.6.2 & U.7.7-7.8.3 of the National Competition Rules.
- 3.11.1.1 The pole position driver may be penalised if the speed is considered to be too fast or too slow; and
- 3.11.1.2 penalties may be imposed on any driver considered to have broken formation prior to the start signal. It will be considered a statement of fact by the Judge of Fact who will provide the necessary report to the Stewards of the meeting for the application of penalties and no judicial hearing will be granted.
- 3.11.2 The pole position driver can select to take their position to the right or left of the track providing that the Clerk of the Course is advised on the Pole Position Notice Form as soon as they reach the "Pre-Grid". This choice will only modify the first row, to the exclusion of others
- 3.11.3 A driver having failed to take their correct position on the dummy grid must start the race from the rear of the grid. Intermediate 2 timing loop along with circuit cameras will be used to detect drivers out of position who should be starting at the rear of the grid.
- 3.11.4 the full circuit must be used on the formation lap

3.12 Race Stops

In the event of a race stoppage U.7.9-7.10 will apply.

3.13 End of Session

- 3.13.1 At the end of the session karts will be directed into Parc Ferme;
- 3.13.1.1 All Drivers must report to scrutineering and weighing area;
- 3.13.1.2 other than the driver and officials no person is permitted in Parc Ferme until signified to do so by the Scrutineer; and
- 3.13.1.3 Drivers should not leave Parc Ferme without the specific permission or instruction of the Eligibility Scrutineer or his Deputy.
- 3.13.2 It is recommended that any Competitor should be satisfied that the driver has been given authority to leave;
- 3.13.2.1 any Driver or kart having left the Parc Ferme without permission will be reported to the Stewards of the Meeting who after holding a hearing may impose a penalty of disqualification from that session as a minimum.
- 3.13.3 The electronic Scrutineering Card or barcodes if used will be validated against the equipment used;
- 3.13.3.1 should it be found that any of the equipment numbers do not comply with the recorded detail it will be considered a statement of fact and the Scrutineer will provide the necessary report to the Stewards of the Meeting who after holding a hearing may impose a penalty.
- 3.13.4 It is the Competitors responsibility to ensure that any seal or mark is not missing or damaged;

- 3.13.4.1 no seal can be replaced if the kart has left parc ferme.
- 3.13.5 The Scrutineer may seal or barcode the chassis or engine(s) and request the fitting of special nuts to the equipment for this purpose.
- 3.13.6 At any time during the meeting the Eligibility Scrutineer may request the removal of any component or fluid;
- 3.13.6.1 a component may be sealed and held by the Scrutineer and replaced with a standard homologated unit for use for the remainder of the meeting. The replacement unit must then be returned in good working order at the end of the meeting; and
- 3.13.6.2 unless the original part is impounded for testing the Scrutineer will return it when the replacement unit is returned.

3.14 Results

- 3.14.1 Results will be issued in accordance with the National Competition Rules and these Championship Regulations.
- 3.14.2 All results will be deemed provisional until the conclusion of any technical and/or judicial matters.
